

Samanta, 1997

Large and gentle Samanta is a daughter of Maksut, son of Omar, and Saragossa, daughter of Serasker, therefore combining two very important sporting lines. She has a truly beautiful burnt palomino coat with substantial metallic reflections. Her offspring are noted for their wonderful character and good workability.

1228 Maksut 2 black, 1989	1083 Omar black, 1981	910 Opal	828 Fakirpelvan
